Dana,

I got a little busy this week so couldn't work on this until today. I have written a draft and sent it to Baskaran for review. I think by next week, we should have a completed document for you.

Thanks,

Vikram

Vikram,

Can you fill out our invention disclosure document for the ASPH idea?

Here is the link to the document: <http://lcaweb/predisclosure/>

I would appreciate it if you could provide the document by the end of next week. It should only take about a half hour to complete, shorter if you already have documentation that you can attach.

Thanks,

Dana
